In Loving Memory On Your Birthday

Terrance R. Moore (Big Moon)

June 2, 1979 - February 17, 2009

Thinking of you on your birthday

It's your birthday; it's a time when the sun goes down and friends gather around. It's your humor and your smile that makes me okay for a while. It's a feeling still here in my heart... Even though you're gone... I will remember every day we shared as my new day turns to dawn... So...

When you visit in my dreams, happiness is not always as it seems... Happiness is being close to God; That is where you are, always in my dreams.

Love You Always & Forever,
Yoshi
